DEDICATION

Mr. E. G. Appel, instructor in architectural drawing in Hackley Manual Training School, has been in the Muskegon Public School system for many years, first as a student and later as an instructor.

He was one of the first graduates from the Hackley Manual Training Normal School in 1917 and later obtained his degree from Central State Normal School. Since then he has done graduate work at the Universities of Michigan and Wisconsin.

In addition to heading the architectural drawing department, Mr. Appel is business manager of the Muskegon High School Athletic Association to which he has devoted endless hours of work.

Mr. Appel, in his quiet manner, has been of help and inspiration to his students and colleagues. He has given unstintingly of his time to school projects and has helped establish the reputation of Hackley Manual Training School in the state as an outstanding vocational institution.

For his service to the school and community the 1952 staff of Said and Done is happy to dedicate this yearbook.

E. G. Appel

INTRODUCTION

Muskegon, the port city, is one of Western Michigan's greatest industrial centers. At least seventy factories, doing heavy industrial work, call Muskegon their home.

Automotive parts, bowling equipment, office and school furnishings — these are only a few of the major manufacturing concerns.

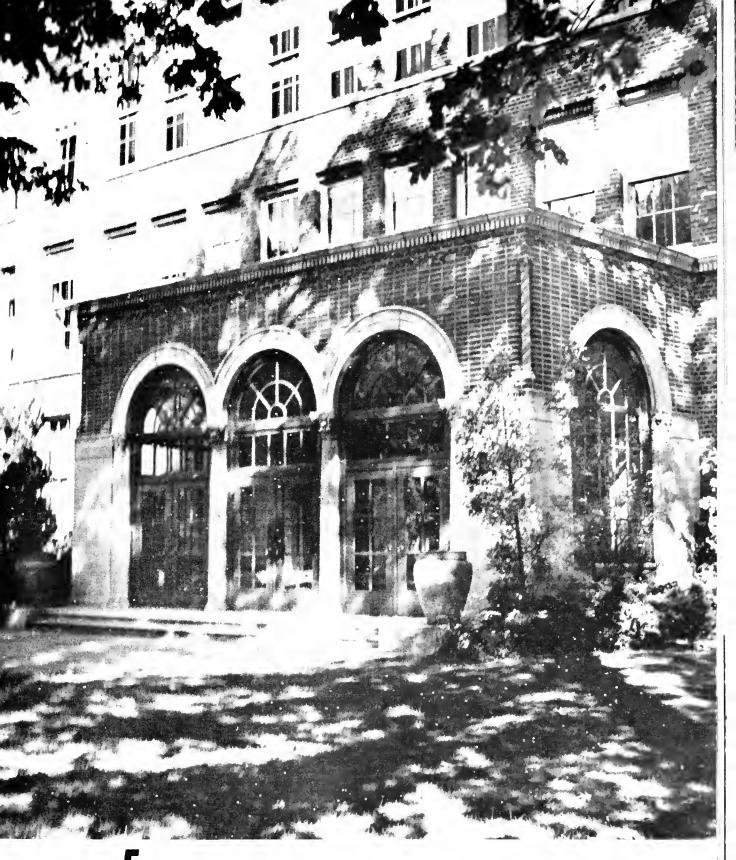

Though the men who produce these commodities are extremely interested in their work, they also find time for recreation such as boating . . . fishing . . . bathing . . . and other forms of outdoor sports.

The harbor is one of the finest on Lake Michigan. Crafts of all sizes and types, including some from foreign nations, come and go during the year.

Culturally, Muskegon boasts its own library, historical museum, art gallery, and symphony.

Educationally, also, Muskegon boasts fine schools, whose scholastic ratings are recognized by the institutions of higher learning throughout the state and nation.

Thus, Muskegon is a well-rounded community providing a means of livelihood in varied types of occupations, avocations, and cultural achievements.

rom the halls of Muskegon High School go the citizens who have taken advantage of the educational facilities provided for them and are now ready to become participants and leaders in Muskegon's

ORGANIZATIONS

The extra-curricular activities of Muskegon High School give the students a chance to develop their ideas and talents, practice good citizenship, and contribute something worthwhile both to their school and the community.

Student Leaders Are Born From Groups Like This.

The hum of fifty busy voices stopped haltingly as the gavel cracked sharply on the desk. Once again the Student Council was ready to conduct the business that would lead Muskegon High School through the caming school year.

Winesap school project and the Inter-school coun-

cil were only a few of the activities that the Student Cauncil undertook this past year.

The Student Council is a compact organization designed for the sale purpose of promoting better harmony between students and faculty and better canditions here at Muskegon High School.

Bon Perry, treasurer, reads his report ta afficers af Student Cauncil. Standing: Ran Perry, treasurer; Tam Callins, Betty Beebe, Norm Hine, Norma Thompson. Seated: Kay Ryan, vice-president; Earl Morrall, president; Marian Grotenhuis, secretary; Mr. Kenneth Rolfe, advisor.

This Society Honors Character, Scholarship and Citizenship.

The National Honor Society, organized in 1948, is open to all students who have displayed high standards of scholarship, character and citizenship.

The nineteen members belong to the M. Berry Wood Chapter which was named in memory of Miss Berry Wood, a former Latin and history teacher.

Carmento girls packed Christmos stockings for Winesap Schaal.

One of the Carmenta girls' biggest events was their fall tea.

Carmenta Combines Literary and Social Interests.

The hum of fifty busy voices filled the halls around room 112 though it was 4:30 on the day that Christmos vocation began. Inside, the members of the Carmenta Literary Society were displaying the true Christmas spirit by donating their time to make other less fortunate people very happy. The girls were working hard to fill Christmas stockings that were to be sent to Winesap School.

Created to do something for the school, the community, and for themselves, the members read to hospitalized children, gave to the Day Care Center, and also to Winesap.

Nevertheless, Carmenta members find time to sponsor many social events. Among these are the annual Kick-off Dance and Christmas banquet, and yearly highlight, the Cotton Ball.

Senate Gives Equipment to Day Care Center.

"Have you made the final arrangements for the Talent Show?" . . . "Are all the names checked for the book collection?" . . . "Did our share for the gift to the Day Care Center get sent in?" These inquiries were indications of some of the activities of Senate in the past year. The forty-four girls meet to

further their cultural and humanitarian interests.

Besides many social activities such as teas and a banquet, the girls contributed to the Urban League and Day Care Center, entertained foreign students, sponsored the Hidden Talent Assembly, and collected books for Winesap School.

One of the more recently organized clubs at Muskegon High School is the Speech Guild, an organization that provides an outlet for the various forensic talents which students may possess. The Speech Guild contributes to the good of the community through Red Feather speeches, Christmas readings, and TB speeches.

Within the school, Speech Guild produces the Variety Show and pep assemblies, besides honoring outstanding members with its Speech Guild Award.

The fame of the Guild is spread abroad through competition in the Voice of Democracy contest.

Costumes lay piled in a motely colared heap in a corner; the auditorium was littered with programs. The 1951 presentation of "The Bat" was over; the Masque Dramatic Society has added onother fine performance to its long line of accomplishments.

But there are other things on the agenda of any Masque member: the production of the three one-act plays in the Spring, the participation in the Play Festival at Hope College, and the purchase of stage equipment for the school, and charitable donations.

Requirements for Masque are stiff, but they are essential and worthwhile in the development of an appreciation and understanding of dramatic literature and an effective method of self-expression.

Hackley Stadium was filled to capacity. It was a caal Saturday in Navember — just right for a football game. Secands after, the fairly feracious Tigers had filed anta the field, Hackley Stadium graaned under the weight af five thausand layal Muskie fans as the Big Reds, unbeaten and untamed, stormed aver the turf. Ribbans shat through the air . . . and occasionally sa did a student. But in the midst of all this chaos and canfusion, battered but undaunted, fighting and clawing his way to the exit was Little Red, a member of the Muskegon High School Hi-Y Club. He was just returning from a successful jount through the milling mab where he had sald the cancessians which were purchased by Hi-Y for sale at the football games.

This wasn't the first time that the students at Muskegan High School had seen Little Red as an active member af Hi-Y. He cauld be seen all through the year as he participated in the various club functions: preparing baskets far the needy in this community,

packing Christmas baxes far averseas, decarating the gym far the annual St. Patrick's Day Dance, and maybe yau saw him last December riding with his dad to the Father and San Banquet.

These are the activities that instigate and preserve in the mind of each member the high ideals of Hi-Y: clean speech, clean sports, clean scholarship, and clean living.

Our Band is Nationally Known.

The Muskegon Senior High School Marching Band, ane of the finest in the United States, is a big reason why Muskegon is on the map.

Starting practice long before school starts, the band is ready to go by the time most students are awakening to the shocking fact that school has begun. Throughout the football season the band can be seen drilling every third hour during the

week, and then astonishing fans on the week-ends with their precise and clever formations.

After the grid season has passed, the band goes through a quick change and reappears suddenly as the Muskegon High School Concert Band. Then a series of concerts and contests are held, and once again we find the band on the top of the heap.

Spanish Club Gives a Bit of Latin America.

Let us be off to the "boool fight" at the arena, where El Dynamito is taking on all comers. Here we will find all the gay decorations, the lively music, and the quaint customs of our South American neighbors; to say nothing of the sauve senors and sparkling senoritas.

A fine place to acquire some of the South American atmosphere is at any meeting of the Spanish

Club, where students learn much of the customs, literature, and arts of the Spanish and Spanish-Americans.

There are twenty-six Spanish students who are interested enough in this subject to pursue it beyond the class room level, and they participate in a variety af activities. Among their activities are donut sales, parties, and projects.

Immediately the typewriters were beating out a regular staccata, and everyane was hard at work. Nevertheless the Annual is campleted and we affer it to you with the sincere hope that you will like it.

Who floods the halls of Muskegon High School every two weeks with a variety of news? Who produces the paper that keeps the student body in stitches with humar and cartoons? The Emphasis Here is Placed on Spiritual Values.

In order to present Christian surroundings to the students at Muskegan High School, a club was formed that would fill this capacity and occupy the wasted noon hours for the students. That club is Hi-C. Time that would otherwise be spent wandering around can be used constructively in praying, singing, study-

ing the Bible, listening to various clergy, or just using the time for quiet meditation.

Hi-C has also sponsored donut sales during the year and have presented programs at various churches.

Hail! Mighty Romans of Yore!

The Muskegon High School Latin Club, LXXVI live members bonded together to study the effects of a dead civilization on the modern world, functions under a form of government different from that of any other club at Muskegon High. The entire executive, judicial, and legislative bodies are copied

from that pattern established two thousand years ago by the ancient, but practical, Romans.

Organized to increase a knowledge of the Classics, the club this year adopted a program designed to describe the various types of Raman amusements.

Because of the many extra hours of rehearsal, that contain nothing but hard work, an arganization was founded, part of whose purpose was to make up for this sacrifice. That organization is Pro Musica, and its other aims are: to support the constant improvement in quality and the appreciation of the best in music in the public schools, to foster a major award for outstanding graduates in music, to furnish programs for Band and Orchestra Parents, and to promote the concert activities of the band and orchestra.

Containing 155 members, Pro Musica meets bi-monthly for many social activities.

Muskegan unveiled its 1952 faatball machine with a 27-0 win aver Lansing Sexton at Hackley Stadium. Shawing plenty of power and pramise, the Big Reds then jaurneyed to Flint where they met a highly rated Flint Central eleven and their first real test of the season. Behind 13-6 in the second period (the only time they trailed an apparent this year), the Reds snapped back for a 36-13 decision and gained recognition of being the team to beat in the state.

Against Grand Haven the following week the Muskies paunded aut a lapsided 41-0 victory. Next came a terrifically underrated Bentan Harbar team which faund the charges of Coach Harry Potter grinding aut a lane touchdawn to win 7-0 aver the dawnstate Tigers. This was a castly victory hawever; for during the rugged play, star defensive back, Bab Kendall, suffered a fractured ankle and was last for the season.

The next weekend, led by the smooth passing of quarterback Earl Marrall, the Big Reds smothered Halland 48-0 with reserves playing most of the second half.

Hapless Hamtramck was next to feel the might of the rampaging Reds, and they fell under the 'canquerar's heel' 45-6. It was a great homecoming display for the ald grads with Hamtramck's only score coming in the fourth period against Muskegan reserves. Battle Creek, the next opponent, fared no better. The final gun faund them buried under an amazing total af 491 yards

and fifty-three points, while their own efforts netted only seven. Well on their way to a State Championship the Muskies clinched the Southwestern Conference Crown with a sizzling 33-0 win over Kalamazaa in a blinding blizzord and sub-freezing weather.

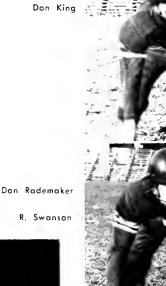

As the final week of prep football rolled around, the Big Reds and Grand Rapids Catholic Central were tied for first place in the controversiol AP pall. Despite the Cougar's final impressive win over their Detroit opponent, the Big Reds were nominated mythical State Champions by virtue of their complete mastery of the Heights Tigers.

The annual rivalry was played in a sea of mud at Hackley Stadium, and the outcame was never in daubt as the Big Reds, displaying pawer everywhere, smashed the mediocre Heights machine to a 26-6 count.

Packed with power in every department, this was 'the' year far the Red and White. Led by All-American Earl Morrall, the wellbalanced backfield was hardly ever stopped or even slowed down. The Muskie line, studded with All-Staters, devastated the running attacks of all apposition besides opening gaping holes in their lines for the hard-running backfield. When combined and under the direction of a most capable coaching staff, they presented a team which ranks among the best ever assembled at Muskegan High School and among the finest in the state.

Grab that ball you Muskie.

Muskegon won the regional championship while tying with Kalamazao for the Southwestern Conference title. They were beaten, however, by Holland in the quarter-finals, 48-37, and thereby lost their chances for a State Championship.

With good material, much of it from their champion football team, the Big Reds made a fine showing. In their first game they rolled over Grand Rapids South 49-36.

Kalamazoo proved later in the season to be a serious threat to Muskegon, but in their first encounter the Red and White came through with a decisive 50-37 victory.

> At Benton Harbor the following week, the Big Reds, although showing little scoring strength, came up with their third victory, a 38-30 win over the down-state Tigers. Scoring 47-33 the Muskies toppled Muskegon Heights.

> In the Grand Haven game Muskegon's superior ball handling enabled them to rack up a smashing 65-47 victory over the Buccaneers. Battle Creek was the next apponent over whom they rolled, leading throughout the entire game, with the final score standing 44-31.

Against Holland an outclassed Muskegon team tasted

their first defeat of the season 51-36. Muskegon fell into second place in the conference race as they ran into a rugged and improved team from Kalamazoo.

Dan Rademaker

The Reds snapped their lasing ways against Bentan Harbar the following week by caming up with a 56-41 triumph. A return game with the Heights Tigers shawed that Muskegan still had it in them as they devastated the Bengals with an easy 59-26 win.

Playing Halland at hame seemed to make all the difference in the world as the Muskies rapped the Dutchmen for a 60-42 scare.

The Big Reds then averpawered a highly-rated, but much weaker, Grand Rapids Christian team, 83-38. Another ane-sided game was played with Lansing Sextan and Muskegan emerged the victor 69-48.

Muskegan then ralled aver an inferior Grand Rapids Creston team 70-35.

Continuing in the regional tourney, the Reds handed Unian a crashing 50-43 defeat. Muskegan then met the upset victor of Grand Haven, Muskegan Heights, as the tournament neared its final stages; the Tigers extended the Reds 44-40 with brilliant ball-handling and an airtight defense. Then came the quarter-finals and Muskegan's final game of the seasan. The Hallanders sunk the Big Reds and clased the Red and White's seasan.

Muskegan totaled 1009 paints far the seasan and held

their appanents to 766. They wan 16 and lost three and placed three players, captain Dan Rademaker, Bab Fairfield, and Earl Marrall, an the Sauthwest canference all-star team.

Next year's "Reds" make a name this year.

The Little Reds opened the 51-52 season with a 39-34 win over Grand Rapids South and a hint of what was to come. But Kalamazoo and Benton Harbor had ideas of their own, and the Red and White Basketeers fell to each: Kazao 37-16, and Benton Harbor 47-33.

The following week Muskegon surprised the local basketball warld with a brilliant 62-49 upset of the Heights Tiger Cubs. Then came a succession of four defeats; to Grand Hoven 50-34, to Battle Creek 53-24, to Holland 40-38, and again to Kalomazoo 40-31. But the victory-starved Reds rallied against Benton Harbor by a 54-43 triumph; and happy days were here again.

However, they were short-lived. Muskegan Heights, seeking revenge for their previous defeat, snuck by the Red and White 31-29. But Muskegon avenged their earlier loss at the hands of the Little Bucs with a 38-35 victory.

Flint Northern stopped Muskegon 53-23, and Holland followed suit 48-40 before the Little Reds racked up a 40-26 win over Grand Rapids Christian. The final game of the season found Muskegon floundering in a deluge of 67 points by Lansing Sexton while their awn sharpshooters bucketed 47.

With Coach Barkell, a graduate of Northern College of Education, in his first season at the helm, Muskegon showed a total of five wins and ten losses, 548 points for, and 653 against, and some fine prospects for the Big Reds in the persons of high-scorer Ron Knop, Capt. Phil Berdinski, and Dick Harvey.

The opening of the Muskegon Reserves' season found them matched against Grand Rapids Union seconds who fell before them with a 25-13 score. After a game at home, Muskegon traveled to Hesperia where they steamed to a 21-7 victory. Slowed by the Grand Haven seconds after a 13-0 defeat, they journeyed to Benton Harbor where the Little Reds emerged with an 18-0 winning game. Away from home again Muskegon hit Holland for a 27-0 victory. Whiteholl was thrown for a 27-0 loss by the Reds. But Muskegon met their scoring height as they rolled over the Fremont seconds 71-0. At Hackley Stadium, the Little Reds made a pelting 19-7 victory over the Kalamazoo team. But rivalry of the Muskegon

Seven letter-men bolster squad.

Lack of depth and balance ore the chief woes of Caach Tom McShannock as he prepares his 1952 track squad for its initial meet with Holland. With miler Schoffer, holf-miler Hine, dashman Starks, and shot putter Manchester, the only returning lettermen, Coach McShannock will have to depend largely on untried material.

Early practice sessions have shown Muskegon to be strongest in the mile run, but here, too, lack of experience may prove to be a disadvantage. Coach McShannack believes that his squod will improve as the season progresses, but it is questionable if the boys will better their 1951 record.

Last year's cindermen finished third in the Southwestern Conference winning three of four dual meets. In the Grand Rapids meet the lads from Muskegon finished fourth. Early this year at Mount Pleasant Muskegon garnered but 6 points, and McShannack is keeping his fingers crossed that they will make a better showing in the conference.

BASEBALL

The best in the State! That was Coach Harry Potter's baseball squad of 1951. This year Coach Potter is hoping for another fine season since a nucleus of his championship squad is returning. Last season Muskegon won the Southwestern Conference crown, sailing through an undefeated season, and the Big Reds were

victorious, defeating Battle Creek and Monroe for the State Championship in the Battle Creek Baseball Invitational Tournament.

Bad weather has hompered early practice sessions and the squad was picked only a few days before the opening game with Coopersville. Though veterans are expected to fill most of the positions on the first nine, capable reserves are being sought by Coach Potter.

TENNIS

The netters of Bill Bos have taken their rackets out of math balls and are laosening their kinks in preparation for another winning season. With lettermen Keith DeFarest, Harry Voss, Jerry Joneson, and Captain Wayne Keift returning and several of last year's reserves an hand, the prospects for the year look fairly good. Added depth is expected due to the large turnout of 27 bays and the summer recreation program.

Last year, the first season for tennis in five years, a good beginning was made as the team wan five af eight matches including two victories over Muskegon Heights and Grand Haven.

The main problem facing Caach Bas is the lack af facilities, with McGraft Park affering the anly caurts. Still, with favorable weather, the bays will be in shape far the apening match against Halland.

GOLF

The praspects far this year's golf season seem tip top. Two letter winners, Dennis Suchecki and Raymond Bostrom, are again with the team. Each of them has another season to play. Bill and Bob McNiff are back from Florida, where they kept in shape on the Florida greens. Also with the team is Bruce Ashley.

Last year's season was a fairly profitable one, though the quartet didn't place in the Regional meet at Grand Rapids.

Coach Ray Schruba expects more improvements this year over last year's nine wins and one drap. This year's schedule, as in past seasons, proves to be a taugh one.

Girls' Athletic Association

Seventy-eight girls are enrolled in girls' sports sponsored by G.A.A. From early fall until late in the spring these girls play together every week in varied sports ranging from field hockey, tennis, and baseball to volleyball and bowling.

The group exists to help create an interest in sports and to provide girls with an opportunity to play and work together for better understanding and good feeling.

GAA FIELD HOCKEY

Field hockey is the answer for girls who like to participate in a sport full of thrills and hard play. Beginning in the fall, the teams play each other in a round-robin tournament. Last fall forty-four girls took part in this sport. They were divided into four teams headed by Heleen Pelger, Donna Carlson, Norma Thompson, and Maudella Warren. Heleen Pelger's "Gazelles" were the champions.

GAA BASKETBALL

The eighty girls who participated in basketball this year found it a close tournament with two teams staying in the top position all the way. Karen Eriksen's "K-9's" and Kathleen Keur's "Little Women" tied for first place after only losing one gome apiece to the second place team, Mary Johnson's "Basketeers."

GIRLS' BOWLING

The girls' bowling tournament again ended in a co-championship with Phyllis Musk's "Sharp-Shooters" and Nancy Fagan's "Strikerettes" tying for the top position.

Tula Stathis held the season's highest average with 127; Janet Khun was second with 124; and the high individual game winner was Tula with 225.

In the National Mail-o-graphic tournament held on March 22, Nancy Fagan's team, composed of Nancy Klang, Ellamarie Willingham, Pat Robinson, and Tula Stathis, bowled into first place with a total of 2264 pins.

SWIMMING

Girls interested in swimming have the opportunity either to enjoy themselves in recreational swimming or to work for their junior or senior badges in life saving. Altogether about 50 girls participated in these two classes conducted by the instructor, Mrs. Seastrom.

VOLLEYBALL

Kitty Keur's team swept through the after-school tournament as undefeated champs of nine other teams. This exciting sport, which requires plenty of team work, timing, and follow-through, is also a regular part of the girls' gym program.

BASEBALL

Spring means time for one of the girls' favorite sports: baseball! As usual, over a hundred girls turned out for the games played on Wilson field. Some of the exchange students who had never played baseball before had as much fun learning the fundamentals of the game as the other girls did teaching them.

UNDERGRADS

Pupils from county schools and city junior highs troop to Muskegon High School in the fall and mid-year to begin their advanced high school work. They arrive eager and enthusiastic to participate in senior high activities.

Soon they become an integral part of the school and contribute much to its esprit de corps.

These sophomores look happy despite a heavy burden of books. L. to R.: Bob Wierengo, Donna Jean Plumhoff, Joan Kirkpatrick, and Fred Field.

Anxious sophomores become festive seniors.

Mrs. Kyes, counselor, helps sophomores plan their high school courses of study.

L. to R.: Jim Kemmerling, Pot Mahoney, and Mrs. Kyes.

"My, everyone seems in such a hurry."

All isn't work.

Only the wastebasket knows the secrets of Barbora Morrall and Gordon Bonifield.

Student Council representatives of Greater Muskegon schools chot with Muskegon High School councilmen.

Library fines and guests make life interesting.

How can anyone smile when paying a library fine? L. to R.: Anita Coris, Dennis Suchecki, Shirley Sikkenga, Ron McDonald, and Miss Webster, librarian.

May not look like a hot rod; but it rides like one.

Big wheels roll in these.

How some of the "Big Wheels" get around.

Jerry Eaton and Carolyn Mooers are awarded prizes for best Sadie Hawkins costumes by Sam Woodward and Shirley Bergmon.

Fancy This Year's Fads.

Signing out with hall monitor, Janet Logan, are Dave Cashbaugh, Jack Larson, and Sally Parker.

Here's To You, Graduate!

Greater Muskegon is proud of you! Sealed Power is proud of you! As a graduate of our Greater Muskegon High Schools, you are eminently well qualified to step out, to college or to a job, and give us all cause for further pride.

Since 1911, Sealed Power has been one of Greater Muskegon's largest employers. It has been our policy always to give preference to young people who have been educated in Greater Muskegon. It has been our pleasure to see many of them advance to top positions here. Never, in all time, has there been greater opportunity for high school graduates than now. Because of our faith in you, and in the Greater Muskegon schools you attended, we know you will make the most of that opportunity.
